- Appointments can be made up to a week in advance beginning on Monday for members and Thursday for non-members of the week before.
- We will schedule appointments for the pool and gym in blocks at specific times to allow for the staggered intake and screening of patrons, please see schedule below for times
- We have dedicated blocks of time set aside for cleaning
- We will be limiting pool users to 5, 10 or 15 people depending on the activity being planned during the timeslot
- The Gym will be limited to 8 users per time slot and users will be asked to clean each machine they use immediately after its use as per COVID guidelines
- We will be taking reservations and recording when users arrive and leave the facility to facilitate contact tracing if the information is requested by the health unit
- We will have a roped off area from the front doors to the front desk as the lobby will be off limits at this time
- All staff will wear a mask or face shield and masks will be mandatory for patrons. The exception for patrons will be on the pool deck area where a mask is not possible due to the water and humidity, and while using the gym and cardio facilities. Please note that all users must wear a mask while coming into the building and travelling to their respective activity and once they are in their area (gym, pool) they may remove their mask.
- Mask requirements may change based on Health Unit Requirements

Memorial Sports Centre No Show Policy

We strive to allow the greatest number of individuals who wish to use our facilities as possible under the new restrictions. To achieve this goal, we need our members and users to help us by letting us know when they are unable to make a scheduled appointment.

To ensure that we can provide an opportunity for as many people as possible to use our facilities, we will be implementing the following policy regarding no shows. A no show is when someone fails to show up for a booked appointment without notifying us:

1st no show: We understand that sometimes things happen, or people forget things, so upon a first no show for a booked appointment, a customer will be called/emailed to be reminded that they had a scheduled appointment that they did not attend. They will be reminded that if they are unable to attend a scheduled appointment that they must call and cancel that appointment as we have other members that would like to use these time slots.

2nd no show: After a second no show for a booked appointment, a customer will be called/emailed and be told that they are no longer able to book in advance for the following week. They will only be allowed to book appointments during the week they are calling. If you call on a Monday, you can book for that day and the next six days but not the following week.

3rd no show: After a third no show for a booked appointment, a customer will be emailed/called and told that they are now only able to book 1 day in advance. If you call on a Monday, you can only book for the Monday or Tuesday of the same week.

4th no show: After a fourth no show for a booked appointment, a customer will be called/emailed and told that they can no longer book in advance for their appointments. They can call 30 minutes before a scheduled time slot and see if there are openings and then may commit to this time. If then individual then fails to show for this appointment, they will lose their membership.
